

RECOVERY CARE SERVICES

Do you know someone who is struggling with addiction. Addiction can be a life-destroying disease and we have a program that can assist in recovery from addiction.

Accent On Christ is a 12-step addiction recovery program with safe and open meetings for anyone interested in healing, and for women only.

Meetings are open and on Mon, Wed, Sat, Sun @ 7pm

LIFE CARE SERVICES

Many people are struggling to keep food in the home, to keep their family clothed, or they're simply hungry. We are here for them four days a week with Life Care Services. No strings attached, no referral necessary. These services allow us to build relationships with the people we serve and provide further resources that can mature into total restoration.

- Hot Meal Program
- Emergency Food Pantry
- Clothing Department

All services are open Tuesday - Friday (call for times and eligibility)

PREGNANCY CARE SERVICES

Pregnant and need help? Our Pregnancy Resource Centers provide someone to talk to, ultrasounds, pregnancy tests, and doctor referrals. Plus our Parenting Rewards Department can help with diapers, formula, classes and more. We also have Men's services with resources available for fathers or individual men seeking growth.

Our new resource related to community outreach and pregnancy assistance is our Abstinence Education Program. Our class, called TRUTH TALK, is designed to give students understanding and tools they need to have healthy and positive relationships while postponing sexual activity until marriage. Ask your child's school if they provide TRUTH TALK in their health classes or after school programs.

- Pregnancy Resource Centers
- Parenting Rewards
- Life Center Men's Club (LCMC)
- Abstinence Education

PRC's open Monday- Friday
Parenting Rewards & LCMC
Open Tuesday-Friday
Please call for times

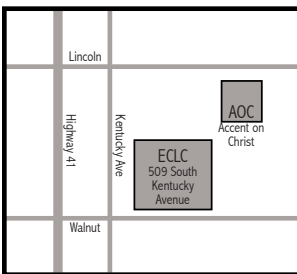

COMMUNITY OUTREACH PROGRAMS - CHOICE, Getting Ahead, & Circles

These programs are the core of who we are as an organization. This three phase program provides different levels of growth and opportunity to those we serve. CHOICE, or Phase I involves participation in self-development classes and workshops that focus on healthy living and relationships, financial stability, life development, and spiritual growth and healing.

Phase II is called "Getting Ahead" and helps participants adopt life strategies for improved daily functioning and self-sufficiency through the development of financial, social and emotional resources. Getting Ahead empowers people to take a leadership role in addressing the causes of poverty in their lives.

Phase III follows the Circles model to provide a structure to eliminate poverty in our community. A circle is comprised of a Leader and 3-5 Allies who form an intentional relationship. Leaders are those individuals who are highly motivated to get out of poverty. Allies are trained volunteers willing to participate in that intentional relationship on a long term basis with the Circle Leaders.

Please call the ECLC for more information on self-development classes, CHOICE, Getting Ahead, or Circles.
